

COVID-19 Vaccine Registration

Unfortunately physician's offices are not going to be used for COVID 19 vaccination at this point. Vaccinations are only going to be carried out at designated vaccination sites

Please go to the COVID Vaccine Registration webpage <https://www2.gov.bc.ca/getvaccinated.html> for information on how to register. You can register online or by phone or in person.

They need to be advised of your name, date of birth, postal code and PHN
They will not ask for SIN or any other banking information etc. **Beware of scammers**

Information for the Clinically Extremely Vulnerable population can be found here
